

## 2008 Early Morning Main Gate Entrance

Again this year, there will be no staging on the fairgrounds before the gates open.

The official gate opening time is 8am.

If you choose to come earlier, you will be sitting in a line somewhere outside the Fairgrounds.

The earlier you come, the longer you will sit.

We have received a number of complaints from local residents about the noise from those waiting to get into the Fairgrounds. We ask that you be considerate of the people living around the Fairgrounds.

The best way to avoid the problem of waiting is to sleep a little later in the morning, and get there at 8am, when you can drive right in.

To speed entry into the Fairgrounds, please make sure your **windshield sticker is on the windshield**, and your **participant button is on you**. Without these items for each person in the car, you will not be allowed in the gate.
