

# Back to the 50's

## Staging Area for the North Campgrounds

Luanne & Mike Tennessen #3355

### SOME CHANGES AND REMINDERS THIS YEAR FOR THE STAGING PROCESS FOR NORTH CAMPERS.

This year you will have to have your camper with you to receive a number in line for staging.

1. You need to be a registered participant, vendor or crafter to camp.
  2. Before the staging process begins, PLEASE allow the staging crew to get set up before proceeding into the staging area.
  3. For any newcomers, DOGS are not allowed in the staging area or the campgrounds.
  4. Please have your Back to the 50's pre-registration letter and early workers cards for Thursday morning and Thursday early afternoon available when entering the staging drive up lines. That is the first thing we will be checking.
  5. Campers, please stay with your car or camper until you receive your camping registration card (to be fill out legibly and completely) camping number and arm bands. If you are not present when we hand them out, you will forfeit your number in line and receive a higher number when you return.
  6. Please drop off any car trailers or dollies before entering the staging area. Drop off lot is on Stella Street, which is south of Como near MSRA Back to the 50's main gate #14 (Canfield Street).
  7. Campers will not be able to get into the staging area until Wednesday morning approximately at 9am.
  8. Please be considerate of others and turn off generators by 10pm in staging area.
  9. Staging gates will be closed at 10pm Wednesday and reopened approximately 8am Thursday morning.
  10. Please keep all Fire Lanes open. Your vehicle must be parked ahead of or directly behind your camper.
  11. No random parking in staging area please. Any friends or relatives who may want to visit the staging area must park up by the front fence as you enter the staging area and walk back to meet you. Guests must leave by 10pm.
  12. It is important to clean up your area before leaving the staging area.
  13. There will be room for early South Campgrounds campers to stage.
- We are looking forward to another successful year of camping and fun, we do appreciate your cooperation, and look forward to seeing you all in June!
