

## Ronald McDonald House

You have pop tabs to contribute? Please bring them to the Lester Building anytime during Back to the 50's.

Last year Back to the 50's participants and spectators brought pop tabs from all over the country. Just under 4,000 pounds of pop tabs were donated last year just at Back to the 50s. Our goal this year is to collect 6,000 pounds of pop tabs. Please bring the pop tabs that you've been collecting all year to the Lester Building again this year and have them weighed. Sign the clipboard and write down how many pounds you are donating so your name can be printed in the *LineChaser* as a contributor. Your contribution could put us over the top in 2009!

If you pop that tab just once, it becomes a habit. It doesn't cost you a penny, but you could be helping a family stay at the Ronald McDonald House one more day as their child recovers from a serious illness. This is the way for you to show that we care for the wonderful work this House is doing for the people in our community.
